

Celebrate Neighbors

N magazine | 2023

# N magazine Digital

Since the first issue in May 2005, N magazine has set the standard for quality communications in the Natomas Region.

N magazine is still a full-color award-winning magazine that is now completely online and free to the Natomas Region homes and businesses. It is positive news for a very diverse readership.

This publication will never require a subscription and will always be free to you.

You can sign up for nNEWS, a weekly online news update, by emailing your contact data to [nproduction@surrewest.net](mailto:nproduction@surrewest.net) Put nNEWS in the subject line.

## Now Fully Online Only

## Community Support

"N magazine is unparalleled in its quality and impact. Without a doubt this magazine has been a tremendous resource in helping keep Natomas informed, connected and engaged. We proudly partner as often as possible because we know the message will reach our target audience and will be presented in a user friendly format with high standards and a positive tone. N magazine is a must read in every Natomas Region's home."

California Senator D8
